

Aguirre asiste a la presentación de la Unidad de Tomoterapia y Radioterapia del grupo IMO

24 de abril, 2006

The President of the Community of Madrid, Hope Aguirre, attends upon presentment of the Unit of Tomoterapia and Radioterapia of Group IMO (Madrilenian Institute of Oncología). Group IMO installs, for the first time in Spain, an equipment of Tomoterapia in the Clinic the Miraculous one in Madrid. The Tomoterapia is a new advanced system of x-ray that allows that the treatment adapts to the patient and his type of tumor.
